New! A Cappella Group Forming

Those of us who went to the recent fund raising event had the pleasure of experiencing a wonderful a cappella group. They sang songs from our tradition and it was just wonderful! So Ithought: why should 19 year olds have all the fun (they were NYU students), why can't we develop an a cappella group of our own? Let me know that you are interested. I will collect this information and if we get enough people, Randi Jaffe will get us someone who will work with us. Please let me know you are interested by emailing me: Paul Feinberg, paulhf@erols.com; or calling, 212-316-6752.
