RECORD YOUR STORY
Sundays Nov 13, Dec 18, Jan 29
Visit the Ansche Chesed recording booth to create audio-recordings of your own personal story to share with our community. This is an opportunity for those who have taken the Michael Takiff oral history classes to record their stories to share with the community.

CHANGE A STORY AND YOUR CAN CHANGE THE WORLD
Shabbat Dinner, Friday, December 2
Join the Ansche Chesed community for a Shabbat dinner and learn from Dr. Dovid Roskies about how, by learning the power of twice-told tales, three restless and rebellious Jews—Reb Nahman of Braslav, I. L. Peretz and I. B. Singer—were reborn as Yiddish storytellers.

SHARE YOUR IMAGES

A picture is worth a thousand words, and can tell your story in dramatic ways. As part of this program, we invite you to share the images that make up your world, that tell your story. Email the image that makes you a "Human of Ansche Chesed" to HumansOfAC@anschechesed.org along with a short piece of text that gives the image context. These images may be used on the Humans of Ansche Chesed blog that we will be creating, shared on social media, and included in other Humans of Ansche Chesed programming.
