

Bar Mitzvah of Avi Rosen

Avi Rosen was born in Jerusalem but has lived most of his life within 3 blocks of Ansche Chesed. He plays basketball on two teams, and as a 6 foot tall 7th grader is usually picked for the tip off! He loves video games, Star Wars, and hanging out with his friends. He and his two sisters enjoy hiking, swimming, and boating on family vacations and just spending time with each other. Avi enjoys playing with younger children and spent last summer volunteering at the Bloomingdale Family Program. Avi has chosen to direct his tzedakah money to Bloomingdale and is collecting pre-school and kindergarten age books for their classrooms.
